ABOUT OUR SERVICE

CeDePe Zagreb has two customized van vehicles for the transport of persons with motor disabilities using a wheelchair and other mobility aids.

The service is provided by professional drivers and can be used for the following purposes:

- Transportation of Association Service Users
- Transportation of Association members for Personal Use
- Transportation of persons who are not members of the Association (for Personal Use)
- Transportation of groups of persons with disabilities (children, young people, adults).

SERVICE DETAILS

- Information about the price and terms of use of transportation service can be obtained from the coordinator of transportation - phone number 00385 91 4566 589 or via e-mail: prijevoz@cedepe.hr
- Transportation arrangements shall be organised a minimum of two (2) days prior to transportation and also canceled at least two days before.
- Transportation during the weekend is also ensured, if necessary, and in consultation with the Coordinator of transportation.
- Priority for the transportation service is provided to members and users of services that use a wheelchair and those who have no other means of transport.
